

March Mania Game – Web Page

Welcome to the March Mania game!

This game is designed *in the spirit of the AADL Summer Game*. There will be games, puzzles, and other opportunities to earn points (even by just showing up or volunteering or donating!).

Each week there will be new opportunities to earn codes. There are also opportunities to earn 'badges' if you collect all of the categories of one type of game/puzzle, etc. For example, if you do all the Web Scavenger Hunt's, you'll earn a badge.

At the end of the month, following our March Mission Madness Fair, you'll compile your points and have the opportunity to win prizes! We'll release our prizes later this month, but know we've got some goodies.

Week 1—March 2:

Mission Web Scavenger Hunt #1 (100 points)

M-ISS-ION (50 points for each sign)

Did you watch the first FIA about March Mission Madness? Can you believe we led a chant at the start of worship? (Hint: [You can watch it here](#))

Find the three posters (with codes) around the FPC building. Here are some clues to help you on your adventure:

- Look for a Whale of a time
- Ruth and Dorcas guard our doors, overlooking a sea of flowers and the warmth of a fireplace.
- We have many stories but cannot speak. Where can you find us?

Maze Discovery (50 points)

Food Gatherers Food Donation (200 points)

Every month, on the First Sunday of the month, we collect food during worship for Food Gatherers (and other mission partners). But did you know that we don't only collect on the first Sunday? In fact, you can bring in a food donation at any time the building is open! Donate to our food collection and you'll find a code at the place you drop it off (not the place you donate on the first Sunday, but the place you donate if you drop it off during the week).

Sign Up to Volunteer to earn points (500 points)
