

Lyrics

Elijah! God's Faithful Prophet

Lord, We Are Your People

Chorus (All):

Lord, we are your people,
led by your love, fed by your grace
Lord, we are your people.
Lead us today, teach us we pray,
help us to follow your ways.

Help us to know which way to go,
help us obey your commands.
When others turn away,
Give us the strength to stay
faithful and true, following you to the end.

Part I:

Lord, we are your people,
led by your love, fed by your grace
Lord, we are your people,
Lead us today, teach us we pray,
help us to follow your ways.

Lead us today, teach us we pray.
Help us to follow your ways.
Lord, we are your people,
help us to follow your ways.

Everyone will sing the **Chorus** parts. This includes those lyrics marked as **Part I, Part II, and Part II.**

Part II:

We are your people,
led by your love, fed by grace
we are your people.

to follow your ways.
Lord, we are your people,
Help us to follow your ways.

God Will Provide

Solo (Elijah):

The time has come to journey on and go where God leads me.
And though the road may seem too long I know God's love will keep me.
God will provide strength for the journey, bread for the morning and shelter for the night.
God will provide hope for the weary. God will sustain me all the days of my life.

Elijah:

I may not know how the road will turn
or where God will send me.
So by faith I'll trust, and with grace I'll learn
God's mighty hand will defend me.

Chorus:

I may not know how the road will turn
or where God will send me.
By faith I'll trust, with grace I'll learn
God's mighty hand will defend me.

Elijah and Chorus:

God will provide strength for the journey,
 bread for the morning and shelter for the night.
 God will provide hope for the weary,
 God will sustain me all the days of my life.

Elijah:

I may not see all the things that are waiting just ahead,
 but I know God's watching over me and in God's strength I'll stand.

Elijah and Chorus:

God will provide strength for the journey,
 bread for the morning and shelter for the night.
 God will provide hope for the weary,
 God will sustain me all the days of my life.

Elijah:

God will sustain me all the days of my life.

Elijah and Chorus:

God will provide.

Just Enough Oil

Widow:

Just enough oil to make this bread. Just enough bread here to feed myself and my son.
 Just enough oil and nothing more. All that I have now is gone. Who will provide?

Elijah:

All I ask, all I need, just some bread, help me please.

Widow:

Just enough oil and nothing more. All that I have now is gone. Who will provide?
 Why does he ask of me? I've nothing left to give.
 Does he not plainly see the kind of life I live?
 How can I give him the last of what I have

Widow:

Just enough oil to make this bread.
 Just enough bread here to feed
 myself and my son.
 Just enough oil and nothing more.
 All that I have now is gone. Who will provide?
 Who will sustain me all the days of my life?
 Who will provide?

Elijah:

God will provide strength for the journey,
 bread for the morning
 and shelter for the night.
 God will provide hope for the weary.

 God will sustain me all the days of my life.
 God will provide

Palace Trio

Oh, we must get rid of them, those prophets who still serve Yahweh.
Oh, we must get rid of them! Don't leave a single one of them alive!

Ahab:

Obadiah, go and find some grass to feed our sheep.
Obadiah, go or we may not survive.

Obadiah:

Lord, how can I save the ones who follow your ways?
Lord, how can I help your people survive?

Jezebel:

Oh, we must get rid of them,
Those prophets who still
serve Yahweh.
Oh, we must get rid of them! survive
Don't leave a single one of
them alive.

Help them survive?

Showdown

Chorus:

People come see, there's gonna be a showdown today.
A thriller of a show, we'll see what unfolds, when the prophets pray.
People come see, there's gonna be a showdown today.
Will it be Baal or will Yahweh prevail at the altar burning, truth discerning showdown today?

Solo:

Elijah said, "Come to the mountaintop; the altar is prepared.
And then we'll call up to your god and mine and see who's really there."

Chorus:

People come see, there’s gonna be a showdown today.
A thriller of a show, we’ll see what unfolds, when the prophets pray.
People come see, there’s gonna be a showdown today.
Will it be Baal or will Yahweh prevail at the altar burning, truth discerning showdown today?
At the altar burning, truth discerning, spirit yearning, table turning showdown today? Yeah!

Waiting to Decide

Elijah:

Hear me now, O Israel, listen to what I say.
The time has come for you to choose. Which God will you obey?
If you believe the Lord is God, then stand with me today.
If you trust some other God, then follow him, I say.
How long, how long will you stand there waiting to decide?
How long? How long? In your silence, you speak for the other side.
See his prophets gather there, four hundred fifty strong.
Just one stands here for the Lord; which side will you be on?
If you believe the Lord is God, then stand with me today.
If you trust some other God, then follow him, I say.
How long, how long will you stand there waiting to decide?
How long? How long? In your silence, you speak for the other side.
How long? How long? In your silence, you speak for the other side.
In your silence, you speak for the other side.

We praise you mighty God, Holy One, ruler of all Israel.
 Mighty God, Lord of all, unto you alone we sing.

 In you alone we believe.
 God of wonder, God of victory.
 We praise you mighty God, Holy One, ruler of all Israel.
